Assistant Director of Training / Facilitator 2013-02 to 2013-10  
Weblink Computer Institute Minna

Organising and making sure that class held at the appropriate time. I made sure our instructors were available and swap them if necessary. As a developer, I was able to deploy an online examination system commonly referred to as computer base test. This was to reduce the stress of setting examinations for our students and make it accessible easily both by the instructor and the students.

Federal University of Agriculture

## Personal Information

Sex & Marital Status: Male & Single  
Age & DOB: 29 years, 5th January 1990.  
Nationality / Citizen: Nigerian  
Passport No. & Expiry date: A07956473, 02/2022  
Relocation: Willingness to relocate both Domestic and International

## Skills

### Stacks

JavaScript, Java, PHP, Dart

### Frameworks

Angular 8, Node.js, Express.js, Flutter, Codeigniter, Laravel, Spring for Java

### Software Testing

PHP Unit, Selenium, Jest, Mocha

### Version Control

git, mercurial

### Enterprise Applications Development

Java, Hibernate, Node, GraphQL and Rest API

### E-commerce Development

Magento, Woocommerce, Joomla

### Mockups and Prototyping

Axure RP, Figma, Balsamiq, Wireframe.cc

### DevOps

Azure Devops, Docker, AWS, Gitlab, Bitbucket

### Microsoft Office Packages

MS Excel, MS Word, MS PowerPoint, MS Publisher

### Web Development

JSON, PHP, HTML5, CSS3, JavaScript, Material Design, Bootstrap, Servlet and JSP, AJAX, XML, JQUERY, NodeJS

### Mobile Applications Development

Android SDK, Angular, Native Script, Flutter

### Relational Database

Mongodb, Oracle and MySQL

### Work Cultures

Software Development Life Cycle, Agile Methods
